

## **Synergy Medical once again among Canada's Top 500 Companies**

**(Longueuil, Canada, September 14<sup>th</sup>, 2018)** *Canadian Business* and *Maclean's* unveiled the 30<sup>th</sup> annual list of Canada's Fastest-Growing Companies. Synergy Medical ranks No. 397 on the 2018 Growth 500 list. Produced by Canada's premier business and current affairs media brands, the Growth 500 ranks Canadian businesses on five-year revenue growth. Growth 500 winners are profiled in a special print issue of *Canadian Business* published with *Maclean's* magazine and online at [CanadianBusiness.com](http://CanadianBusiness.com) and [Growth500.ca](http://Growth500.ca).

"The 2018 Growth 500 companies are truly remarkable. Demonstrating foresight, innovation and smart management, their stories serve as a primer for how to build a successful entrepreneurial business today," states the Growth 500 program manager. "As we celebrate 30 years of the Canada's Fastest-Growing Companies program, it's encouraging to see that entrepreneurship is healthier than ever in this country."

"Synergy Medical is honored to be on the Growth 500 list, and proud to have made such a leap in 2018." says CEO Jean Boutin. "Our ranking reflects the commitment of our employees, the quality of our products, and our desire to remain at the forefront by continuing to meet and surpass our customers' expectations. I wish to thank each member of the Synergy Medical team for their contribution, as well as each of our customers for putting their trust in this team."

Synergy Medical is based in Longueuil, Quebec, and from 2008 has been designing, manufacturing and installing automated systems which allow pharmacies to efficiently and accurately prepare compliance packs: specialized pill boxes that enable patients to adhere to their medication regimens.

Synergy Medical has installed close to 400 SynMed® and SynMed® ULTRA systems throughout North America and in Europe, in independent pharmacies as well as in centralized production facilities for pharmacy chains. The client list of this leader in automated dispensing already includes the largest pharmacy chains in Canada, *Shoppers Drug Mart*, and the US, *CVS/Omnicare*.
